All it takes is a call to 911 and our volunteers will respond quickly, professionally, and highly trained to help resolve your emergency. We will be there for you and your family no matter what, but your support is essential to make that possible.

Your donation will directly help cover the costs' of our operations, and assist us in providing top quality service to the community.

### Where does your donation go?

The Flourtown Fire Company receives 100% of the proceeds and will ensure that every penny is used to help better serve you.

### What services do we provide?

**Emergency Response** – Did you see one of our trucks in your neighborhood this year? When you call 911, we show up any time, day or night and take care of fires, carbon monoxide alarms, flooding related swift water rescue, vehicle fires and accidents, natural gas leaks, hazardous materials incidents, structural collapse, entrapment, and high angle rescue situations.

### Did you know that we are a 100% volunteer 501(c)(3) organization?

We receive some support from Springfield Township every year, but not enough to completely cover the costs of our operations. This is why your donation is extremely important and appreciated.

### Your donation WILL make a difference!

We totally understand financial times are difficult, but even the smallest donation will make a difference and be greatly appreciated.
